**Re: Tracy Pepe- Recognition for Volunteer Service**

April 17, 2026

Dear Tracy,

I am writing to formally acknowledge your resignation from the volunteer board of directors of the Brampton Chapter of CARP, effective May 1, 2026.

On behalf of the thousands of members of CARP in Brampton, I want to extend our sincere thanks for your dedicated volunteer service over the past four years.

You stepped up to take on the important roles of Director and Chair for the Chapter, providing leadership to our local advocacy efforts on behalf of seniors in the community. Your work in connecting the chapter with local businesses has helped secure valuable discounts and benefits for our members, and your efforts in building partnerships with community organizations have strengthened our ability to support older adults in Brampton.

Your contributions have made a meaningful difference in advancing CARP's mission to improve the lives of seniors in the Brampton area. We are grateful for the time, energy, and commitment you have given to our organization.

We wish you all the best in your future endeavors.

Sincerely,  
**Anthony Quinn**  
President
